Grandparents Day or "Special Friends"

This is a very special day on all three of our campuses. The history and legacy that grandparents bring to families and to Redlands Christian Schools is priceless. We would like to honor you and share our campuses with you. Due to so many students having grandparents or special friends on multiple campuses, we have scheduled back-to-back days to make celebrating more convenient. In fact, all three campuses have a minimum day when you visit so you can take your grandchild to lunch if you have time. Please check below to see when your event is happening. We are so excited to see you on Grandparents Day!

HELPFUL INFORMATION FOR LOWER SCHOOL GRANDPARENTS DAY

When you come on campus, our greeters will ask you to **sign in and to receive a visitor sticker** before you enter campus. This is for our students' security and safety. Thank you for your cooperation and help with this.

The performance and class visit schedules have been revised. (Please see below) Seats on the gym floor should be saved for those who are unable to climb into the bleachers. We also ask that as you find your seats that you move to the center of the seating sections to make it easier for those who come in after you.

Grandchildren look forward to sharing their classroom with you. Please take time to see what they have been doing this year.

Students may leave with grandparents (or

special friends) after the program or classroom visits as long as a permission slip has been returned to their teacher stating that they are free to go. If this permission slip has not been turned in, please do so as soon as possible. If a student is not leaving with his/her grandparents, he/she will be dismissed at 12:00 noon. All students remaining after dismissal will be checked into extended care at 12:15 pm. Please make sure your student has a lunch if he/she stays for extended care.

Thank you for all of your help in making Grandparents Day a success at Redlands Christian Lower School. See you Friday, February 16.

Fine Arts Boosters Presents

PHOTOS

*with Grandpa & Grandma
(or your Special Friend)*

LOWER SCHOOL GRANDPARENTS DAY is Friday, February 16, 2018
with Photo Opportunities beginning at 8:00 a.m.

We will have two photographers set up so that students may get their picture taken with their grandparents or their special friends who visit that day.

We have arranged our schedule that day to expedite your photo experience. (See schedule to the right)

Prints will be made of the portraits during the morning. Portraits not picked up will be sent home with the students on Tuesday, February 20th.

The cost for each picture is \$12. Proceeds will go towards our Fine Arts Program.

There is nothing to complete or return ahead of time, just come to Building C and we will take your picture. A campus map was included with the mailed invitation.
